## 2. What data we collect

We only collect strictly necessary data to operate the platform safely and legally.

This may include:

- Email address
- Username or account identifier
- Payment-related references (handled by payment providers, not stored in full)
- Technical data required for security (e.g. IP for fraud prevention)

**We do NOT collect or store:**

- Customer photos
- Customer biographies
- Sensitive personal data beyond what is legally required

## 3. Purpose of data processing

Your data is processed only for:

- Account access and authentication
- Credit balance and payment verification
- Fraud prevention and legal compliance
- Customer support and dispute handling

We do not use your data for advertising or profiling.

## 4. Cookies & tracking

We use essential cookies only.

These cookies are required for:

- Session security
- Login state
- Basic site functionality

We do not use tracking, marketing, or third-party advertising cookies.

## 5. Payments

Payments are handled via external EU-compliant payment providers. Dyonic Projects does not store full payment credentials.

We do not sell, trade, or share payment data with third parties.

## **6. Data sharing**

Your data is never sold or shared with third parties for commercial purposes.

Data may only be shared if legally required, to prevent fraud, or to comply with EU or Spanish regulations.

## **7. Data retention**

Personal data is kept only as long as legally necessary for financial compliance, fraud prevention, and dispute resolution. Inactive or unnecessary data is removed or anonymised.

## **8. Your rights (EU – GDPR)**

You have the right to access, correct, delete (where legally allowed), object to processing, and request data portability.

Requests can be sent to: [dyonicsystems@gmail.com](mailto:dyonicsystems@gmail.com)

## **9. Adult content & responsibility**

This platform is strictly 18+ only. Minors, identity misuse, and non-consensual content are not permitted. Violations result in permanent account termination.

## **10. Jurisdiction**

This Privacy Policy is governed by EU law, with additional compliance under Spanish regulations applicable to online adult entertainment platforms.
