2. Data we collect

We collect only the data necessary to operate the platform securely and legally. This may include:

- Email address
- Account identifier (username or ID)
- Payment references (handled by external providers)
- IP address and device/session data for security
- Chat interactions and usage activity
- Credit usage and transaction history

We do NOT collect or store:

- Customer photos
- Customer biographies
- Sensitive personal data beyond legal requirements

3. Purpose of data processing

Your data is processed only for:

- Account authentication and access
- Credit balance and payment verification
- Fraud prevention and abuse detection
- Customer support and dispute handling
- Security monitoring and system integrity

4. Chat & interaction data

Chat conversations may be stored and processed for quality control, safety monitoring, fraud prevention, and dispute resolution.

These conversations are not publicly shared and are handled securely.

5. Cookies

We use essential cookies only. These are required for:

- Login sessions
- Security and authentication
- Basic platform functionality

No tracking or advertising cookies are used.

6. Payments

Payments are processed by external EU-compliant providers. Dyonics Projects does not store full payment credentials.

7. Data sharing

Your data is never sold or shared for commercial purposes.

Data may be shared only when legally required or to prevent fraud or abuse.

8. Data retention

Data is retained only as long as necessary for legal, financial, and security purposes.

Financial records may be stored for up to 7 years to comply with legal obligations.

Other data is deleted or anonymised when no longer required.

9. Your rights (GDPR)

You have the right to access, correct, or request deletion of your data, where legally permitted.

Certain data (such as financial records) cannot be deleted due to legal obligations.

Requests can be sent to: fantasy@dyonicsystems.com

10. Security

We implement technical and organisational measures to protect data against unauthorized access, misuse, or loss.

11. Automation & systems

Certain interactions may be supported or enhanced by automated systems to improve performance, safety, and user experience.

12. Adult content

This platform is strictly 18+. Users are responsible for ensuring compliance with age requirements in their jurisdiction.

13. Jurisdiction

This Privacy Policy is governed by European Union law, with additional compliance under Spanish regulations.
